

COURSE MATERIAL FOR THE CERTIFIED HYPNOTHERAPIST PROGRAM

192 - Emotional Sexual Female (100%)

Priorities:

1. Job/Career (Home and children could be considered a career).
2. Hobbies and girlfriends.
3. Family system/Love relationship.
4. School, education, etc.

Natural Partner:

- Physical male.

Love Means:

- Acceptance, need, satisfaction, and belonging.

Sex Means:

- Release and a form of accomplishment, acceptance, and satisfying her partner.
- Taking the pressure off of him and the relationship.
- It is also an obligation to her.
- Sex to the Emotional female is very expectation oriented.

COURSE MATERIAL FOR THE CERTIFIED HYPNOTHERAPIST PROGRAM

- When she gets past the expectation, there's not much there for her. It is okay, but that is about it.

Main Reason Loses Relationship/Marriage:

- She turns off sexually and cannot keep up with her partner's needs.

Approach to Get Partner Back or Rekindle Interest:

- Begin to act more sexual toward him.
- Promise him that she will satisfy his needs.

Reason She Cheats in a Relationship/Marriage:

- To prove that it is not her that cannot function. It is not her problem.
- She is totally turned off of her partner and wants to replace him.

Monogamous/Polygamous:

- Is very capable of being polygamous if she is turned off on her partner but if she is in love, she will stay monogamous. She enjoys the newness of a relationship. The newness overrides her natural behavior.

Dealing with Rejection:

- The same as the Emotional male.

COURSE MATERIAL FOR THE CERTIFIED HYPNOTHERAPIST PROGRAM

- Most of the time she is asking to get out of the relationship.
- If she can replace quickly enough and get rid of the guilt, she will come out of it fine.

Friends:

- Mostly Physical and Emotional girlfriends.
- Close girlfriends will be Emotionals and occasionally Emotional men.
